Transforming the World of Logistics

**For Unparalleled Logistics Services,
Think of Athena Global Logistics**

ABOUT US

Athena Global Logistics was set up in India and Singapore in September 2014 with the sole aim to reach out to our customers offering them superlative logistics solutions.

As a provider of total integrated logistics solutions **Athena Global Logistics** has established itself over the last couple of years as a service oriented organization with Customers Satisfaction the prime aim of our team of highly motivated and experienced professionals.

Our Experience in Shipping and Logistics industry, young and energetic professionals and dedicated and knowledgeable partners and agents enables us to meet the demands from our customers.

At **Athena Global Logistics** we build relationships with our customers partnering in the logistics of their products. Our Customers Contribute to our growth and we always make it a point to show our gratitude in terms of our competitive cost as savings for them.

Our team of young and passionate professionals are the back bone and they coupled with our strong systems and robust processes enables us to offer our customers a service unique to their business needs.

OBJECTIVE

To establish an international freight forwarding and integrated logistics organization to:

- Provide our customers and partners a single window logistics solution utilizing our expertise, equipments, financial resources, our systems and our people
- Develop and Innovate new solutions widening our scope of services
- Earn reasonable profits as a logistics service provider and ensure a wider customer base

Lastly and most importantly to create the most desired Organization for our:

- Customers for our services
- Staff for our professionalism and our Security
- Associates for our interest in taking utmost care of their business with us

OUR MISSION

Athena Global Logistics, mission is

- to provide our customers with excellent value-added services and fulfill all our commitments
- to set a benchmark with respect to quality, integrity, consistency when it comes to our business
- to build a strong and loyal relationship with our agents and customers through honesty, dependability and meeting our deliverables on time, every time
- to inspire our employees, nurture them to be successful leaders as well as encourage and reward innovation and reinforce flexibility at work
